#10 Ardiel Drive | Okotoks, Alberta | 403 807 2337

## TEENZ FRIDAYZ REGISTRATION FORM 2.0 | AGES 13 - 19 | 2023-24

I \_\_\_\_\_ the parent/guardian of myself OR my \_\_\_ year old \_\_\_\_\_ have enrolled into

The Inspiration Studio Academy of Fine Art program known as The TEENZ FRIDAYZ Art Club. These semi-private art lessons occur weekly and are located at: #10 Ardiel Drive, Okotoks, AB. I understand that I need to inform Miss Robin Thibodeau if my child will miss any lessons with as much notice as I can.

**WELCOME TO THE FAMILY!** Please read & check off the following *NEW Program Structure* and ISAFA Studio policies as understood:

The **TEENZ FRIDAYZ Art Club** is designed as a partial self-directed and introductory program for teens ages 13+ to 19. However, there will be a base program to follow with inspiring themes and deadlines to complete projects. Instruction will be readily available on a variety of 2D techniques including watercolour, markers, acrylic, soft and oil pastels, pen & ink, printmaking, calligraphy, graphite and charcoal. 3D medium instruction includes sculpture, jewelry making, beadwork, paper mache, pottery, and how to mix and match these mediums successfully.

1. **My teen will attend ISAFA each Friday** running 3:30 – 6:30pm not including Holidays, See points 7 – 11 for these dates.
2. **Monthly fees are due within the first week of each month.** I understand that AFTER TWO REMINDERS, late fees will be applied at the end of December and June if incurred.
3. **Missed classes** will not be replaced, however, where applicable – efforts will be made to assist them in completing each project.
4. **PLEASE provide early notice (one month is best, 2 weeks is okay) if your teen is not attending class** so that I may coordinate project schedules effectively. Try to limit missed classes to no more than once a month. This level program relies on consistent attendance.
5. **The Annual *Gingerbread Showdown*** between all Clubs, Leagues and the rest of Okotoks' youth takes place at the Okotoks Art Gallery. Each ISAFA Program compete as teams, using holiday-inspired themes as inspiration. They are welcome to bring their own **pre-built gingerbread house** if they like but have to stick to the 100% edible rule. Creations are on display during Light Up Okotoks until the middle of December. VOTES are taken during this time and PRIZES are awarded by the OAG. This will mark our third year of participation.

### **NEW: Blended Walking Fieldtrips include members of the Epic League of Artists.**

6. These will take place MONTHLY on alternating Thursdays & Fridays at local cafés, galleries, the library and other teen-approved spaces
7. The objective is to provide the experience of working in a public space, getting to know the art community of Okotoks through local businesses to increase confidence and inspire fresh ideas outside The Studio.
8. Dates will be announced via email as well as through **Family Text Groups** as early as they are booked, but may be subject to change.

**The Studio Christmas Party & Youth Art Market** is set for December 16<sup>th</sup>, between 12:30 – 3:30 held at the Okotoks Elks Hall. This event is paid for through your fees and includes additional activities for all members including parents as well as a display of all registered students' artwork from all three Art Clubs and Artist Leagues. Students are welcome to display, sell their work or a bit of both. More information will be provided closer to the dates.

9. **IMPORTANT → The ISAFA Exhibit of JUNE 2023** will also be held at the OKOTOKS ELKS HALL occurring in late June, on a Saturday/Sunday near the end of the month. It is paid for through your monthly fees, so NO extra costs!
10. All Members of the Studio will have a place to store their work onsite if needed but are welcome to take it home each week.
11. All members are required to bring their own hand wash towel to be left onsite. They are washed regularly and separated from each group.

### ABOUT THE LOCATION:

The Inspiration Studio Academy of Fine Art is located within a spacious basement suite with six individual workstations. The entrance and exit are through the gate to the east/right of the house leading to the backdoor toward the Studio. Participants will receive their own workstation; desk lamp, their own art materials, a portfolio to store finished work. Depending on the project, a limited amount of tool sharing may be necessary. There is access to two washrooms, (one upstairs, one downstairs) and one large wash up sink. Everyone on-site is expected to use these one at a time and not line up. Washrooms will be sanitized after each use. Exit signs and fire escape maps are positioned inside the Studio for safety. Any misconduct such as moving furniture or lighting will not be tolerated. We want everyone to have a great time creating their artwork and have the peace of mind that we are all safe and having fun!

I have read these practices and will share them with my registrant.
